

The 2025 Beginner's VPN Guide

Are you confused about which VPN to pick?

This short guide explains what matters and where to start.

Why Use a VPN?

Protects your privacy on public Wi-Fi.

Stops your ISP from tracking.

Lets you access region-locked content (Netflix, gaming).

What to Look For

Speed - look for WireGuard protocol support.

No Logs Policy - trust matters.

Kill Switch - prevents leaks if the VPN drops.
